IN REMEMBRANCE

Anna Marie Ackerman
August 26, 1958—July 12, 2019

By Daphne Macpherson ... Anna was my BFF (best friend forever), in every sense of the phrase. I first met her at a TICA show at the Seattle Center Fisher Pavilion when she bought my two blue lynx point Balinese, who introduced Anna to the wonderful world of TICA. We showed many cats together over the years, and she showed five alters to Supreme Grand Champion status: SGCA FLAMBO IRISH WHISKEY, seal point Balinese; RW SGCA SKAN DEJA BLEU, lilac point Siamese; RW SGCA SKAN ADAGIO, seal point Siamese; SGCA BALIMOOR BELL RINGER, cinnamon ticked tabby Oriental Longhair; and RW SGCA BALIMOOR INDIGO, blue lynx point Balinese. Anna loved wandering around chatting with exhibitors and learning about the different breeds. It always amazed me how she could meet someone new at a show, not see them until a show months or years later, and know their name, their cats' names, and even what awards the breeder or cat had won. She truly loved meeting new people who became friends; I think everyone who met her recognized her genuine interest in others, and her warm and caring heart. Anna was a special person who brought a spark of light to everyone she met; the world is a little darker since she left us.

Her obituary . . . Anna Marie Ackerman, long-time resident of Kirkland, WA, passed away at home on July 12, 2019 at the age of 60. The only child of Bernie and Dorothy Ackerman, she was born in Ballard, WA but grew up in Bothell, WA. Anna graduated from Canyon Park Jr. High then Bothell High School where she played the flute in both the marching and concert bands. She attended Washington State University for a time and graduated from Shoreline Community College with a degree in Nursing.

A real people person, she enjoyed working as a nurse at Virginia Mason in Seattle. Deteriorating health led her into the less physically taxing medical billing field. Her greatest joys were showing her exquisite Siamese and Balinese cats, traveling, attending the 5th Ave Theater, shopping, and spending time with her family and friends.

Paul Gobat
? — March 5, 2020

Paul Gobat, 77, died March 5, 2020 after a prolonged battle with Parkinson's disease and related dementia. Paul grew up in Walthill, NE and Aberdeen, WA, as the oldest of eight children of Howard and Phyllis Gobat. Paul spent time in the Navy before meeting his future wife, Mary Ann Frantsvog.

Paul worked for the telephone company his entire career, working in Longview, Olympia, and Seattle, WA and Denver, CO, before retiring after 33 years of service. Upon retirement Paul and Mary Ann moved from the Denver area back to Washington, settling in Federal Way. In retirement Paul enjoyed traveling with Mary Ann, raising Devon Rexes, restoring cars with friends from the Pacific Northwest Metropolitan Owners Club, volunteering at the Federal Way Multi-Service Center, and spending time with grandchildren.

Paul is survived by his wife of 54 years, his 3 sons and daughter: Eric (Kim, sons Jacob and Jared), Dawn (Bruce, sons Camden and Evan), Peter (Nicole, daughters Shaunda, Keely and Madelyne), Jason (Allison, sons Caden and Silas), plus 3 great grandchildren.

Northwest Region Member of the Year 2019-2020 – *Tracy Hisel*

Tracy is always there helping with clerking, master clerking or other tasks that needs to be done. This is nothing new for her, but this past year she really went above and beyond. Tracy also needs to be recognized for her “over the moon” job as Entry Clerk for the TICA NW Regional Virtual Cat Show. This task was enormous — 672 entries, over 1,800 photos loaded for judges, all the while working a 10 hr/day, driving to/from work 2 hours/day, and taking care of the cattery and horses on the farm. Tracy, you are truly outstanding. Thank you for your dedication.

(Award sponsored by: Marilyn McCorkindale — Congratulations!)

Northwest Region Humanitarian of the Year 2019-2020 – *Lucy Robinson*

Lucy is so deserving of the Humanitarian Award for all her hard work in coordinating assistance and gifts, etc. when Kay Hanvey was down and out from her cancer treatments. We need more good people like Lucy in our region who are willing to go the extra mile. Lucy has also helped novice breeders. She has been there every step of the way for me. More than once I reached out in the middle of the night for her assistance. And, she stayed with me for as long as I needed to be comfortable with what was happening, or until all kittens had been born. She has also helped me with growing kitten questions and answers any question or concerns about the Queen. Lucy has made the breeding experience a happy one for me. Thank you, Lucy!

(Award sponsored by Marilyn McCorkindale — Thank you!)

Northwest Region Sportsman of the Year – *Teresa McRae*

Terry always greets you with a warm welcome and a smile. She’s always willing to help out any exhibitor, new or experienced, and does so in a kind friendly manner. Terry is an asset to the Northwest Region and TICA.

(Award sponsored by Paige Tesluck — Congratulations from MustLoverags!)
